Cabinet Resigns.
Tewfik Pasha, the Grand Vizier, and the other members of the Cabinet resigned to-day, but their resignations were not acted upon. Tewfik Pasha, one of the commanders of the Yildia garrison, has been degraded and dismissed from the army. Numerous other officials of the palace have been dismissed, while many women in the Sultan's harem, with their families, have been sent away.

The Senate and Chamber of Deputies in joint session requested the ministers to remain in office for some days longer. This was in accordance with the desire of General Scherff, who intimates that the military arrangements in the capital have not been completed. The ministers agreed to continue in office.

General Scherff has established headquarters at the war office, together with the court-martial, under the presidency of Khurshid Pasha, grand master of artillery, a distinguished and able officer.

General Scherff tonight issued a proclamation announcing that the instigators of the recent crimes, including those who have been guilty of stirring up a feeling of discontent, will be exterminated at the war office, in accordance with the wishes of the nation, and that measures will be taken to prevent the propagation of subversive ideas.

When the court-martial trials are concluded it is the contention of the commanding general to withdraw his troops from the city and quarter them in the barracks in the outside precincts.

There was an imposing ceremony this morning, which was attended by 2,000 troops, when 300 Salonikins were buried in a common grave on Shish Top Hill, now called Liberty Hill.

SALES WERE LARGE

Tobacco Trading This Week Promised to Reach 300,000 Pounds or More.

The sales of leaf tobacco on the Richmond market last week amounted to something over 300,000 pounds, when all the "crappings" of the barns were considered, and the reports that came in to the effect that the sales were not that large were inaccurate. These reports, however, were based on what was regarded at the time as correct information.

The warehouse which the sales for the present week, which will begin this morning and last probably four days, will run somewhere close to 100,000 pounds, though a change in the weather may curtail them not a little.

The fact remains, however, that the farmers are now selling the last of the crop of the year 1908, and it may be that 500,000 pounds more will be about all of the current stock to be offered. The sales of black shipping stock may run the figures to 1,000,000 pounds. The stock now coming in is made up largely of wrappers and good fillers, and as the manufacturers are eager for sun-cured stock, prices remain very firm.

Gamblers on Board.

NEW YORK, April 26.—While 650 miles east of Sandy Hook the liner Kaiser Wilhelm II. to-night sent in wireless call for a police detail, which the captain of the vessel asked to have on hand when his ship reaches quarantine to-morrow.

Beyond stating that the professional gamblers who he desired arrested were on board, the captain did not go into detail as to the nature of the trouble, and then continued: Arrangements were made to have three detectives meet the Kaiser Wilhelm II. down the bay from one of the company's tugs.

Divorce Ends Fatally.

DETROIT, Mich., April 26.—Benjamin Keith shot his wife fatally in the mouth to-night at boarding-house in the Flower Street; wounded the landlady in the arm; died wildly at the police who arrived quickly on the scene, and then committed suicide by shooting himself through the head.

The shooting was the culmination of differences that had resulted in divorce proceedings.

No Jurisdiction.

WASHINGTON, D. C., April 26.—For want of jurisdiction the Supreme Court of the United States to-day dismissed the case of the Fidelity and Casualty Company, of New York, vs. the Southern News Company.

More Engines for N. Y. C.

DUNKIRK, N. Y., April 26.—The Brooks plant of the American Locomotive Company has ordered an order for thirteen switch engines for the New York Central lines. This makes a total of thirty-one locomotives the New York Central has placed with the local plant for June and July delivery.

Nero Goes to Cuba.

NORFOLK, Va., April 26.—United States auxiliary Negro sailed to-day from the new Virginia Railway pier at Sewell's Point for the naval station Guantanamo, Cuba, with a cargo of coal.

Citizens to be first lieutenants—Charles Mayrant Reese, South Carolina.

Both are drowned.

MOORESVILLE, W. Va., April 26.—A woman, known as Katie Kouch, who is said to be Mrs. Katie Linton, of Holiday's Cove, W. Va., and a miner, Peter Adams, of Pittsburg, were drowned here to-night. The woman jumped aboard a small skiff and it upset. Adams tried to rescue the woman, but she threw her arms around him and both went down.

Justice in giving you I instead of 4 on ventilation."

"I couldn't say. I only know Mr. Curtis scored me down to 61."

"Then you criticize the inspector, but won't criticize a committee of your friends?" asked Mr. Meredith.

"I am not responsible for what they do," answered the witness. "I go by the total score. That is what I judge by. The committee gave me a higher total than Curtis did."

"Wouldn't any fair minded man look at the items?"

"No. I believe in looking at the total."

"The committee allowed Britt 2 for general cleanliness and gave you 61 and the committee 74."

"While holding stoutly that the score of 60 was wrong, and that the committee was wrong, Mr. Bellwood did not have on a milk pail."

Resolution by Dairymen.

The witness then went into details as to the meeting of the dairymen, which was a charge of unfairness and favoritism on the part of the inspector, the upper part being taken by the resolution of the Dairymen's Association. Mr. Bellwood said he had his glasses, and had intended to sign the resolution, not the charges, but had declined, although Dr. Levy offered to sit down and do his writing. Mr. Bellwood acknowledged his signature to a paper introduced, on the bottom of which was a charge of unfairness and favoritism on the part of the inspector, the upper part being taken by the resolution of the Dairymen's Association. Mr. Bellwood said he had his glasses, and had intended to sign the resolution, not the charges, but had declined, although Dr. Levy offered to sit down and do his writing. Mr. Bellwood acknowledged his signature to a paper introduced, on the bottom of which was a charge of unfairness and favoritism on the part of the inspector, the upper part being taken by the resolution of the Dairymen's Association.

"Personal Animus in Scoring."

Harry C. Beattie, of Henrico county, is the justice witness. He said he had not thought until recently that he was getting the score he was allotted to. He believed that Mr. Curtis disliked him, and that an amount of personal animus entered into the scoring. He said he had improved his place very much, but did not think his milk had improved as to purity. His last score was 82.

Mr. Meredith cross-examined the witness as to the scoring of the dairymen, the Britt and Bellwood places by a committee, of which Mr. Beattie was a member. The witness showed his familiarity with the score card, and corroborated Mr. Bellwood as to the dairymen's scoring of the Bellwood place, explaining that Mr. Britt had been sick and that they had been at once removed when attention was called to them.

As to the Bellwood Dairy, he said the committee had not followed the letter of the rule in scoring the Bellwood place, in regard to having an air chamber between the milkroom and the stable. Mr. Bellwood having a substantial brick wall, which he thought met the requirement, he admitted, however, that Mr. Curtis was bound by the rule, and must disallow this point. He said also that the committee had not scored against Mr. Bellwood, because one of the milkers had no apron on, as the man was dressed in a clean suit and the committee scored as much for the portion of stable with a dirt floor, because no milk cows were kept there. Mr. Meredith said he was prepared to show that Mr. Curtis reinspected the Bellwood Dairy on the same day as the committee, giving it 68.1-2. Allowing the points in dispute, he said that would bring it within 1-2 point of the score given by the committee to Mr. Bellwood.

The inquiry will be resumed on Wednesday night.

HARRIS PROPEL OF EXONERATION

Believes He Will Be Acquitted of Charge of Murdering W. A. Thompson.

[Special to The Times-Dispatch.]

WARRENTON, Va., April 26.—Funeral services over the remains of W. A. Thompson, associate editor of the Warrenton Virginian, who was shot Saturday evening on Main Street by Professor J. D. Harris, principal of the Warrenton High School, will be held to-morrow at the Thompson home.

The body was brought here this evening, arriving at 7:15 o'clock from the Warrenton Hotel, Washington, where death took place yesterday.

There have been no new developments to-day, Professor Harris still maintaining that he shot in self-defense, and his friends are confident that he will be fully exonerated when his case comes to trial. Professor Harris, who is at liberty on bond of \$20,000, while regretful of the circumstances which led to the killing of Mr. Thompson, seems very hopeful of acquittal. He has been known as a peaceful and law-abiding man, and the sympathies of the people of Warrenton are largely with him.

None of the brilliant array of counsel which his friends are engaged to defend him has given out a statement, but it is still insisted by his friends that he had been long suffering at the hands of the man he killed, and had submitted to many indignities and abuse from him. Mr. Thompson, it is said, while very popular with a large circle of friends, was in his general disposition, very aggressive and positive.

An inquest will be held here to-morrow into the death of Thompson.

Made No Statement.
